

## Oregon-Columbia Chapter Annual Business Meeting

January 29, 2010  
The Benson Hotel, Portland

### Why attend the AGC Annual Business Meeting? What does this mean to you and your business?

As a member of AGC, the annual business meeting is an excellent way to learn exactly what the association is doing for you and your company. It's also a great place for you to network with chapter leadership and let them know exactly what you would like the chapter to do for the industry; it is an excellent forum to have your voice heard.

This year's meeting will consist of an educational session on the new regulations for Leadership in Energy and Environmental Design (LEED), the Safety Awards Luncheon, and an economic forecast presented by AGC of America's Ken Simonson followed by the annual membership and board of directors meetings. The afternoon will conclude with a festive reception and Installation of Officers Banquet.
